## WELCOME

Welcome to the 2013-2014 athletic season. We hope that you have an enjoyable and rewarding time with us.

Little Athletics is an Australia-wide sport for children aged 5 to 16. The Australian Little Athletics Union states that it aims to *“develop children of all abilities by promoting positive attitudes and a healthy lifestyle through family and community involvement in athletic activities”*.

Your Club promotes athletics as a participation sport for children with the help of their parents. Children are encouraged to compete against one another in a friendly and relaxed atmosphere regardless of ability. The idea is for children to improve individual performance throughout the season as well as physical fitness and technique.

At Koorungal-Wagga Athletics Club, we aim to:

- *Provide friendly athletic competition between children of the same age;*
- *Involve parents as volunteers to assist with the organisation of weekly club competition; as well as social activities*
- *Provide the opportunity for the more competitive children to represent our Club at championship levels of competition;*
- *Improve the athletic skills and physical fitness of all our members; and*
- *Involve parents in the running of the Club.*

**This is your Club and it relies heavily upon  
volunteer support from parents for the successful  
running of our Friday evening competitions**

One of the highlights of the season is our annual Athletic Carnival.

This year, we will be staging the Koorungal-Wagga Athletic Carnival on Sunday, 3<sup>rd</sup> November 2013.

We encourage athletes in all age groups to participate.

Further details are provided in this Handbook on Page 16.

A Club BBQ is held every Friday evening for athletes and their families at a minimal cost. We would encourage you to use our BBQ as any funds raised are used to purchase equipment for our Club.

**Welcome to Koorungal-Wagga Athletics Club; we trust you will enjoy the upcoming athletic season.**

We are looking for all the help we can get for Friday night competition.

We can only help our athletes with your help.

Come and learn something new.

Contact Stephen Lawrence on 0408 693 411 for more information.

## LITTLE ATHLETICS – WEEKLY COMPETITION

During the season, we have our “Club Competition Nights” at Jubilee Park on Fridays commencing at 5.00 p.m. The first two nights of the season are ‘**come and try nights**’, which this year, are on **Friday 13<sup>th</sup> & 20<sup>th</sup> September** Competition continues throughout the season on a weekly basis – commencing on **Friday 11<sup>th</sup> October**.

It is important that children and parents be ready to start on time so that the program can be completed within a reasonable time span.

For the first few weeks, events are restricted by early darkness but we will offer as many events as time permits. The first two Friday evenings of the season will be taken up with coaching and familiarisation for athletes, parents and officials. Performances on these nights will not be scored.

Events are scheduled on a cyclical basis so that children will experience all events which are available for their age-group. Weekly programs will be displayed on the Notice Board before the start of competition. Children are encouraged to participate in all scheduled events regardless of ability.

When children arrive at Jubilee Park, they should assemble on the grassed area under the shade cover. At the start of the evening the children will be called to complete a warm-up lap.

Events will be called over the P.A. System. It is important that children listen to the announcer's directions and that they move promptly to the shaded marshalling area under the sail where they will meet with their team manager to be taken to their first event. Children will move to each event with their team manager.

This year we have purchased a new performance management system, whereby children's performances at Club nights are recorded and linked to our new website, so that parents no longer have to write out performance tickets. Families can look up the children's performances on the website and print out tickets that go in their performance booklet. Parents can assist younger children to maintain their booklet at home and help them to understand times, progress and achievements.

Coaching is available from the Club coaches. However, we will try to help new and younger athletes during competition.

### **PARENTAL RESPONSIBILITY**

Athletes are the responsibility of their parents. The Club will not accept responsibility for children left unattended before, during and after competition or coaching. Parents should emphasise to their children that they remain inside the fenced area of the athletic complex at all times.

**Please remember that our Club promotes athletics as a family activity and that Koorungal-Wagga Athletics Club is not a child minding centre.**

*Should weather conditions be unsuitable for competition it will be announced on our website: [www.kwa.org.au](http://www.kwa.org.au). Please ensure that we have your current mobile phone number and email address if you would also like to be informed by SMS or email.*

## DUTY ROSTER

At registration you will have received details about the parent duty roster system. This season you are given the option of working as an 'AGE MANAGER', looking after teams of children or an event official, or simply by helping to measure or record children's scores. Please consider the options carefully as you will be required to work each week, so that the athletes will be able to move freely and quickly to each event.

Athletics requires the support of volunteers to run all the competition available to them. It is **absolutely essential** that parents help with the running of events. This includes your support for Club nights, Club Carnivals, plus Zone, Regional, State Championships.

**If all parents honour their duty obligations, it will mean that both the athletes and parents will have fun and fitness together.**

When you register your child with the club you are asked to complete the duty roster with the duty you wish to do for the season. On the first two evenings we will show you how to conduct and officiate at the event you choose to do.

**Parents with small children needing supervision are asked NOT to volunteer for Discus, Shot put or Javelin.**

If, for some reason you are unable to attend on a competition evening, please arrange a substitute. We would like all parents to be ready to start 15 minutes before the scheduled starting time.

**Rosters will be displayed on the Club Notice Board and published on our website and in our newsletters.**

**We realise that many parents are unfamiliar with officiating athletic events. Remember that we aim to conduct events in a friendly and relaxed atmosphere. We will also try to provide someone with experience on each event to help with any problems you may have. This season we will again offer training for each event during the first two weeks of competition.**

**PLEASE REMEMBER THAT ATHLETICS  
CANNOT WORK WITHOUT YOUR HELP**

***Participation is rewarding and fun – and your children will appreciate it.***

## CLUB ACHIEVEMENT AWARDS – POINT SCORE

The main purpose of the Club is to encourage all athletes to improve individual performance regardless of ability. This season, there will be two methods by which we hope that aim will be achieved:

### **(A) THE ACHIEVEMENT AWARD SCHEME**

This is a point-score competition designed to provide the children with a measure of success whether they be budding champions or not. The scheme works as follows:

1. One point is awarded to a child for participating in an event.
2. An extra point is awarded if the child improves on his/her best recorded performance in that event. For example, if a child competes in three events on a particular day, he/she automatically gets 3 points. If he/she improves in two of those events (compared with his/her previously recorded performances) then a total of five points are awarded.
3. At the end of the season the child with the most points in each age group is declared the winner. In previous seasons, it has been the consistent "trier" rather than the fastest or best athlete who is successful.
4. Trophies will be awarded to the first three place getters in each age group (boys and girls) at presentation night at the end of the season. Presentation certificates are awarded to all children who have competed on a regular basis during the season.

#### **PLEASE NOTE:**

- It is Club policy that eligibility for an award is based on a child having competed in **AT LEAST 50% OF EVENTS** offered during the season after the time of registration.
- Carnivals and Championships are not included in the Club Achievement Award Scheme.
- It is important that children ensure that performances are recorded by officials after each event and that a ticket is issued. If this does not happen, the Club has no record of participation and no points can be awarded.

### **(B) RECORD BREAKER AWARD SCHEME**

Starting in the 1987/88 season we have kept results of the best performances in each event in each age group. Athletes who better or equal the record for an event will be awarded a certificate for doing so at Presentation Night at the end of the year. Records are listed in this booklet and will be updated on the Club Notice Board on a weekly basis.

The aim of this scheme is to encourage our more competitive members to strive for even better performances. This scheme is confined to weekly competition only – Carnivals and Championships are not included.

## CLUB UNIFORM

All athletes are expected to compete in Club uniform. Uniforms can be purchased through our uniform officers, who will be present at registration and on club nights.

### **Uniforms must be paid for at the time of ordering!**

Club colours are Green, Gold and Navy Blue. The uniform is as follows:

TOP: Boys and Girls: green singlet with gold trim.

PANTS: Boys and Girls: navy blue shorts

Girls: bike pants, in club colours, are now available.

TWO-PIECE: Girls of all ages may opt to wear a two-piece uniform: crop top with bike pants.

**Front**

CLUB POLO SHIRTS, Caps and Hats are also available for purchase from our Uniform Officer.

The registration number and age patch are to be sewn on the uniform as follows:

**Registration Number - centred on the front of the singlet/crop top**

**Age Patch - on upper left hand side of top.**

**IGA Sponsor patch – on upper right side of the top.**

**All Logos must be clearly visible. This includes the red border around the Registration number.**

**Our Club number (101) must be attached to the back of the uniform top for Championships (Zone, Regional & State.) These will be available from the Registrar at Club nights.**

We expect all athletes to be in uniform by the time of our Annual Carnival.

Club Uniforms, registration numbers, age and sponsors patches must also be worn when competing in events at Carnivals and Championships.

**Back**

## FOOTWEAR

- For safety reasons it is compulsory to wear shoes when competing in all events.
- Children in the U6 to U8 age groups are not permitted to wear spiked shoes for any event.
- For other age groups, spiked shoes are allowed in all laned track events (i.e. 70m, 100m, 200m, 400m and hurdles), long jump, triple jump and high jump.
- Non-spiked shoes must be worn for all other events.
- U13+ athletes may wear spiked shoes in 800m, 1500m and 3000m track events at Championships, but not at Club nights.
- Amateur Athletes may wear spikes in all 800m, 1500m & 3000m events.

**\*\* SPIKED SHOES MUST BE REMOVED IMMEDIATELY AFTER AN EVENT \*\***

## SENIOR ATHLETICS & DUAL REGISTRATIONS

**All U12 athletes and upwards are eligible to DUAL REGISTER with both Little Athletics NSW and Athletics NSW at no extra cost.**

### **SENIOR ATHLETES ~ COMPETITION**

Athletes aged 11 to 16 can register free as “Seniors” with Athletics NSW, and are eligible to compete at Amateur level in certain competitions, eg. NSW Country Championships. Athletes 17 and over are also able to register as amateurs with Athletics NSW.

Seniors’ entry to competitions are organised by our Seniors Secretary, Mark Conyers. Further details will become available in due course. Information will be posted on the Club notice board and website in the course of the season.

### **Amateur Athletics**

Koorinal Wagga Athletics Club offers a senior athletics club for those athletes who are either:

- past the Little Athletics age range (17 and over), or
- in the later years of Little A’s and chose to “dual register”.

Dual registration is open to those athletes of high school age who are registered with Little A’s and who choose to join Athletics NSW. No additional fee applies. This provides a pathway into the senior ranks of track and field.

Competition is limited for older athletes as only the talented and dedicated athletes tend to continue with the sport past early teens. We will provide occasional local competition at 6 pm on some Friday evenings at the end of the weekly Little A’s program. There are also some Open events at local carnivals. Competition is also available in Albury and Canberra. This requires carpooling to minimise costs. The big competitions open to our athletes are NSW Country, normally held in Newcastle or Wollongong, and the NSW Championships, held in Sydney. Again, shared travel is desirable where possible.

## GENERAL INFORMATION

### **MEMBERSHIP**

Little Athletics is open to all children aged 5 to 16 as at midnight, 30th September 2013.

**REGISTRATION MUST BE FULLY COMPLETED BEFORE AN ATHLETE CAN COMPETE.**

Insurance conditions do not permit the Club to allow unregistered athletes to take part, except for on one of our two "Come and Try" nights at the beginning of the season.

### **CLUB NOTICE BOARD, WEBSITE AND COMMUNICATION**

Details of carnivals, achievement awards, duty rosters, Club Records and Club activities will be posted on the website and Club notice board each week.

Please do not hesitate to contact the organisers (or the announcer) if you have any queries or concerns. Also, please advise our Publicity Officer of any records or high achievements which should be noted in our next year's Handbook in the Honour Roll. (refer page 18)

### **DISCIPLINE**

Irresponsible, dangerous or disruptive behaviour will not be tolerated. The Club must insist on high standards of conduct and sportsmanship so that all athletes can enjoy the sport. The organisers have the right to warn and/or disqualify athletes from an event in the interests of other children and members.

### **STARTING BLOCKS**

All athletes are permitted to use starting blocks if they wish for sprint events (up to 400m) and hurdles.

Club Starting blocks are available for use at Club nights, but may not be borrowed for Carnivals or Championships.

### **COACHING AND INSTRUCTION**

Our Club aims to improve athletic technique and fitness for our members. Unfortunately, there are only limited opportunities to do this during regular weekly competition. The Club has a number of coaches (see Club Directory) who will be organising regular coaching and training sessions during the season. These sessions are normally held after school during the week, and details will be made available once the season gets under way.

## SAFETY

Athletics can be a dangerous sport. We ask that parents and children keep the following safety rules in mind:

1. Please ensure that athletes drink adequate fluids during our meets. Also remember to use sunscreen and wear a labelled hat.
2. Athletes must never walk in front of the shot put areas and discus cages. Only athletes competing and parents on duty are to be in these areas. No others in this area at any time especially pre-school children. Parents needing to supervise their children should volunteer at other events.
3. During discus events, competitors must remain completely behind the safety nets except when competing.
4. Spiked shoes must be carried to the marshalling area and put on when at the event, then removed immediately after an event.
5. Athletes must not interfere in any way with other competitors during an event. Children are not permitted to sit or play on the fence surrounding the track. Children must stay away from the steeple chase pit area, and not climb on the timing stands at the finish line.
6. At the end of sprint events, athletes must remain in lanes until cleared by the judges.
7. All athletes will be marshalled before events under shade area and taken to events.

**No athlete is to cross the track unless accompanied by a parent on duty.**

8. Our Club safety officer is Stephen Lawrence.

If an accident or injury occurs, please notify an official as soon as is practicable, on the same day. It should then be documented in our accident register. Most injuries are minor, and have no repercussions, but for legal and insurance purposes, documentation is important.
