MESSAGE FROM OUR PRESIDENT

I would like to welcome all our new families and returning families to Kooringal Wagga Little athletics club. It was great to see so many athletes competing in our first club night. I would like to encourage parents/carers to be actively involved in our club nights and our championship events. This is extremely important as our club could not run without the assistance from parents/carers and families.

I would like to remind everyone that we are a family club, so please reach out to myself or any of the committee members if you have any questions. I look forward to a great year ahead with our athletes challenging themselves, connecting with others and having fun.

Thankyou
Mick Dare

Centre Records

Centre Records (CR) for each event are listed on the top of the recording sheets. Please ensure
you have a look at the CR when you are at an event to see what the record is. Should an athlete
equal or break the record please reach out to a Committee Member so they can verify the
distance /height before moving on to the next athlete. All CR's must be verified and signed off
by a Committee member, failing this will result in no records .

House-keeping:

Slip, Slop, Slap time—with the weather warming up it's time to slip on that shirt, slop on that screen and slap on hat. Please ensure you child has their water bottles as well...

Timing Gates - Parents and children are asked to please not touch, play or hang off the Timing Gates located at the end of the track as this may cause delays with the track or may not accurately record the races. We thank you for your cooperation with this matter.

Committee

Please consider joining the Committee! This is a great opportunity for you to get involved with athletics, make new lifelong friends and be with like-minded people! Our club would not be able to run each week without our volunteers so we need as many people on the Committee, we NEED YOU!

The position of SECRETARY remains vacant. The Club desperately needs this position filled. Please reach out to Mick Dare for more information.
